

## Registration is Now Open for 2020 Fall PAYSa Travel Evaluations

All players must be registered to attend evaluations. (Payment is not due until notified of team placement)

NEW travel players MUST bring a copy of their birth certificate to evaluations PAYSa's travel program is for players who are committed to improving their skills and sense of teamwork on the field.

While teams adhere to PAYSa's principles of development and participation, soccer at the travel level offers a more competitive and comprehensive experience than is found on the recreational level. Our goal is to provide this opportunity to those players willing to make the commitment. As such, PAYSa typically fields as many teams per age group as the number of players and available coaches allow. Travel teams begin practices in September with league play starting on Sunday, September 13th.

With covid-19, the structure of our season remains uncertain. We will structure practices and possible games based on guidance from CDC Maine, the City of Portland, and Soccer Maine. Currently, we anticipate two practices per week and possible games. To play soccer and keep everyone safe, PAYSa, coaches, parents and players must work together, collaborate and take responsibility. [Please see the PAYSa Return to Play Guidelines](#)
